What is the Law Enforcement Officers Relief Fund?

Protecting Those Who Protect and Serve

The Law Enforcement Officers Relief Fund was established to provide support and resources to officers or the immediate surviving family members of the Law Enforcement Community when tragedy strikes.

Disaster and Tragedy Assistance

The organization supports officers critically injured or their immediate surviving family member if killed in the line-of-duty. The funds are to provide some assistance in transition of long-term recovery, not to make them whole. Our goal is to lessen the immediate financial hardship and provide assistance due to the result of disaster, violence, or any other calamity.

Charitable Organization

LEORF is a 501(c)3 non-profit charitable corporation and donations are tax deductible. To learn more, visit leorf.org or email info@leorf.org.
Last Years Golf Classic

*2023 I.U.P.A. DESIGNS
LEORF would like to thank all of our past and recurring participants who have supported LEORF and law enforcement officers. It is only with your help that LEORF has been able to assist officers and their families in their times of greatest need.
The Meadows Country Club

The Meadows Country Club is a private members club nestled in a lush, vibrant community located minutes from downtown Sarasota. The Meadows Golf Course is an 18-hole Member Course. It was redesigned by renowned golf architect Ron Garl in 2004 and is one of the finest layouts in the area, offering six sets of tees with yardage from 4,586 to over 6,700. The Meadows Member’s Course provides enjoyment for various levels of member play with quick and undulating TifEagle™ greens.
**Scramble Format**

Scramble formats are probably the most enjoyable type of tournament play because only the best shots are played at each hole. All players tee off and from that drive, the best ball is selected. All players hit their next shots from that point and the best ball is again selected. The process is repeated until the ball is “holed out” with a two-putt limit. In each foursome, they must select at least two drives from each player for the eighteen hole tournament.

Scramble format will be played during the Tournament. Players handicaps, provided on the registration form, will determine which course your foursome will play. Course of play is assigned by LEORF and course officials.
