# What is the Law Enforcement Officers Relief Fund?

## Protecting Those Who Protect and Serve

The Law Enforcement Officers Relief Fund was established to provide support and resources to officers or their immediate surviving family member.

## Providing Assistance

The organization supports immediate surviving family members if an officer is killed in the line-of-duty. The funds are to provide some assistance in transition recovery, not to make them whole. Our goal is to lessen the immediate financial hardship and provide assistance

## Charitable Organization

LEORF is a 501(c)3 non-profit charitable organization and donations are tax deductible. To learn more, visit [leorf.org](http://leorf.org) or email [info@leorf.org](mailto:info@leorf.org).

# 2024 Golf Classic

LEORF would like to extend a heartfelt thank you to all of our past and returning participants for their continued support of both LEORF and law enforcement officers. Your generosity makes it possible for us to assist officers and their families during their times of greatest need. We couldn't do it without you!

# Plantation Golf & Country Club

The mammoth Plantation Golf & Country Club in east Venice has a newly renovated clubhouse with all the bells and whistles, and two highly regarded 18-hole championship golf courses that have hosted LPGA tournaments annually for 30 years.

PGCC's property was started in the early 1980's, but was recently purchased by the Concert Golf Partners which has invested more than \$3 million into capital improvements since 2019.

Bobcat & Panther are the two championship courses at PGCC and were designed by Ron Garl. The two courses feature distinctively different layouts that provide challenging play and a rewarding golf experience at every level.

The Bobcat course has consistently been ranked among Florida's top 50 courses by Golfweek Magazine. Both courses were renovated in 1999 by Stephen Kay and offer up to 5 rated tees that allow for a difficulty level appropriate for a seasoned and beginner golfer alike.

# ***SCRAMBLE FORMAT***

Scramble formats are probably the most enjoyable type of tournament play because only the best shots are played at each hole. All players tee off and from that drive, the best ball is selected. All players hit their next shots from that point and the best ball is again selected.

The process is repeated until the ball is “holed out” with a two-putt limit. In each foursome, they must select at least two drives from each player for the eighteen hole tournament.

Scramble format will be played during the Tournament. Course of play is assigned by LEORF and course officials.
